

Prices and Appointments

All of our services are by appointment only and require an initial consult prior to commencing any rehabilitation therapy. The times listed below are the minimum amount of time desired to work with your pet and we are always grateful to have longer so that we may provide even more care to your pet. 10% discount for all rehabilitation services to established The Vet's House clientele.

Service Item:	Price and minimum amount of time	
----------------------	---	--

Initial Consult:	\$195.00	2 Hours
-------------------------	-----------------	----------------

This is a 1.5 to 2 hour appointment that includes a thorough history, head-to-toe examination by a licensed veterinarian rehabilitation practitioner, and 1 hour of treatment. All forms must be faxed prior to or brought to the initial consult. Client/Owner participation during a portion of the consult is essential but you will be asked to leave your pet with us for a minimum of one hour while we complete the first treatment. Follow-up treatments are customized to each individual pet and a rehabilitation plan will be presented to you at the end of the initial consult.

Hydrotherapy:	\$85.00	1 hour
----------------------	----------------	---------------

Underwater treadmill or swimming. Includes 30 minutes of water treatment.

Rehab only:	\$85.00	1 hour
--------------------	----------------	---------------

Land therapy individualized for each pet. Includes stretching and massage.

Acupuncture only:	\$85.00	2 hours
--------------------------	----------------	----------------

Acupuncture added on to other service:	\$60.00	Add 30 min
---	----------------	-------------------

Full session of Rehabilitation:	\$135.00	2 hours
--	-----------------	----------------

Includes land therapy, hydrotherapy, stretching, and massage.

Rehab Recheck:	\$50.00	1 hour
-----------------------	----------------	---------------
